THIS IS UNEVALUATED INFORMATION

1. The following acts of sabotage against the Soviet occupation forces are reported to have taken place during May 1950:

25X1

a. At Pitesti, the mill formerly owned by the Dumitrescu brothers and presently used as a State warehouse was blown up, reportedly because the entire amount of grain, approximately 100 carloads, was destined for the Soviet Union.

25X1

- b. In Craiova, an important locomotive and repairs factory was destroyed.
- c. In Galați the fuel depot was set afire, reportedly causing extensive damage.
- d. At a distance of two kilometers from Galați, on the Braila-Galati railroad, the track was blown up at the entrance to a tunnel thereby causing a two-week interruption in rail traffic.
- e. The Floesti area has been declared a Soviet Military Zone, access to which has been forbidden to everyone. Whoever is found in this Zone without Soviet authorization is subject to severe penalties.

25X1

2. A German Militia division, commanded by General Brandt, has reached Turnu-Severin and will proceed toward Hungary during the month of June. Reportedly this unit will be stationed at an unspecified point on the Austrian border.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
